

# You are invited to discover Circles of Hope

***We are saving a seat for you at our table!***

The second Thursday of every month, guests are invited to join the Circles of Hope community for our weekly dinner and an overview of the initiative. Get a “taste” for what Circles is like—people coming together from all walks of life to help families work toward a better future, for themselves and our whole community. Meet others who care about ending poverty in Reno County and hear encouraging stories. Catch a vision for how you can make a difference.

**WHEN:**

**The second Thursday of every month  
5:30-7:30pm**

**WHERE:**

**Trinity United Methodist Church, 1602 N Main, Hutchinson**

**PLEASE RSVP:**

While we welcome drop-ins, advance notice helps us to plan. Please contact Deana Riney (620-662-7285, [richard.riney@sbcglobal.net](mailto:richard.riney@sbcglobal.net)) with the date you would like to attend and expected number of guests.
