

## JOIN THE CIRCLE!

### You can:

*Help a family achieve their goals and permanently exit poverty*

*Learn about issues of poverty and discover new solutions*

*Meet others who care about poverty*

*Build friendships across economic barriers*

*Strengthen the future of Reno County communities*

Circles of Hope is a proven, comprehensive approach to ending poverty through empowering circles of relationship. ***Please consider making a difference through Circles in any of the following ways:***

#### Help Circles grow:

- Donate to the ministry – funds, meal supplies, gift cards, other needed items
- Join the Resource Team to help with organizing, recruitment and fundraising
- Become a prayer partner

#### Spread the word:

- Invite Circles of Hope to present in your church, workplace, civic group or other arena
- Recruit friends and colleagues as potential Circles Allies

#### Become an Ally:

- Become an Ally -- offer friendship and encouragement to a Circles family as they pursue their goals
- Become a Youth Ally – engage with Circles children in a structured program

#### Support the Getting Ahead Class and Weekly Meetings *(Thursdays, 5:30-8:00pm)*

- Sponsor a family to participate in the 11-week Getting Ahead class: \$400 per family
- Cover the cost of workbooks and training materials
- Provide a meal for the weekly Circles gathering (estimated 30-50 people)
- Donate food, place settings and other meal supplies
- Provide nursery child care for younger children during Circles meetings

#### Participate in a Community Meeting:

- Share a meal and visit with families and Allies (no commitment required)
- Join a working group to address causes of poverty in our community

#### Learn more:

- Come to a Circles information session
- Take the Bridges out of Poverty training

#### To get involved or for more information, please contact:
