## CONFUSED ABOUT WHAT'S HAPPENING IN THE UMC?

The United Methodist Church will be holding General Conference in May of this year. At that conference, decisions will be made about our denomination's stance on Sexuality, specifically LGBTQ+ issues. If you are interested in hearing one of the proposals which will be presented and voted upon at General Conference called The Protocol of Reconciliation and Grace Through Separation, please join us for a meeting upstairs in Thorne Hall on March 29 during the Sunday School time at 9:45 am.
