## It's going to be LIT!

Join us on Sunday for our Parking Lot Candlelight service. We ask that you begin arriving at 5:15 pm. There will be a ton of parking lot people who will show you where to park (basically facing the Sanctuary doors in rows.) At 6:00 pm we'll be singing the songs which we typically sing at the end of our Christmas Eve service (You'll hear them on the sound system that will be rocking the neighborhood.) We'll then start passing the light of Christ. If you have a candle from your Advent Bag, bring it, but we'll have others there as well. We're actually taping this and then we'll add it to the end of our taped Christmas Eve service that will be posted next week. You don't need to get out of your car unless you want to stand by it or something (in that case wear a mask) so you can wear jammies or sweats and bring hot chocolate to make it more festive! We'll start parking cars in the main parking lot, but then we'll head to the west lot if we need to! Hope to see LOTS of you and your families there!

Trivia: Who knows the correct term for those paper things that catch the wax? 😂
